

**I am lucky to have what I already have oh Lord.  
Let me be satisfied with what I have and place  
value on what comes from you more than on  
things that do not. Help us to be satisfied with  
what we have and not always be looking for more  
Let the beauty of flowers, trees, the sky and the  
Moon rule us more than what we do not even see  
Let the essentials that we need be given to all  
not only to those who are fortunate enough to  
have them. Amen**
