

**I learned that love was our lord's meaning.  
And I saw that surely God loves us because  
he made us. In this love he has done all of his  
works; and in his love he has made all things  
good for us; and in this life our life is everlasting.  
God's love is unmatched and unbound by society  
or culture, his love is pure as we are. Lord let me  
value and cherish the love you have for me and  
love my own life accordingly. Amen**
