

**The weather is awful, It's too hot, It's too cold, etc...
Oh Lord help me to realize that whatever weather
is present on this day I will still be happy.**

**I am not perfect so why should the weather be.
Help those that don't have any shelter find warmth
on this day. Help those with no warm clothes find a
warm place to sleep. Lord help us forget our own
troubles, help us to be thankful for the roof over our
heads, and to wish one for those without one. Amen**
